### 1) DATA PROCESSING RELATED TO THIS WEBSITE

#### 1.1 Navigation Data

The information systems and software procedures relied upon to operate this web site acquire personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols. Such information is not collected in order to relate it to identified data subjects, however it might allow user identification after being processed and matched with data held by third parties. This data category includes IP addresses and/or the domain names of the computers used by any user connecting with this web site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

<b>Purposes and lawfulness of processing</b> (GDPR-Art.13, c.1, lett.c)	These data are only used to extract anonymous statistical information on website use as well as to check its functioning. The data might be used to establish liability in case computer crimes are committed against the website (Controller legitimate interest).
<b>Scope of communication</b> (GDPR-Art.13, c.1, lett.e,f)	The data may only be processed by internal personnel, duly authorized and instructed in the processing (GDPR-Art.29) or by the Processor of the web platform (appointed Data Processor, Art.28 GDPR) and will not be disclosed to other parties,

	disseminated or transferred to non-EU countries. Only in the case of an investigation they can be made available to the competent authorities.
<b>Data retention</b> (GDPR-Art.13, c.2, lett.a)	Data are usually kept for short periods of time, with the exception of any extensions connected to investigations.
<b>Data provision</b> (GDPR-Art.13, c.2, lett.f)	The data are not provided by the data subject but automatically acquired by the site's technological systems.

## 1.2 Cookies

This information is provided pursuant to Article 13 of EU Reg. 2016/679 "GDPR", as well as the specific regulations in force on cookies:

- "Guidelines for cookies and other tracking tools" of 10 June 2021 (Published in the Official Gazette no. 163 of 9 July 2021);
- Guidelines 5/2020 on consent pursuant to Regulation (EU) 2016/679, adopted by the European Data Protection Board.

**What are cookies:** Cookies are short fragments of text (letters and / or numbers) that allow the web server to store on the client (the browser) information to be reused during the same visit to the site (session cookies) or later, even after days (persistent cookies). Cookies are stored, according to user preferences, by the single browser on the specific device used (computer, tablet, smartphone). Similar technologies, such as, for example, web beacons, transparent GIFs and all forms of local storage introduced with HTML5, can be used to gather information on user behavior and use of services. In the continuation of this information we will refer to cookies and all similar technologies simply by using the term "cookies".

### Possible types of first-party cookies and how to manage preferences

In relation to the provision "Guidelines for cookies and other tracking tools" of 10 June 2021 (Published in the Official Gazette no. 163 of 9 July 2021) and in the Register of 231 measures of 10 June 2021, the following categories are classified of cookies used, the purposes and the coding criteria.

### 1.5 Data provided voluntarily by users

Sending e-mail messages to the addresses mentioned on this website, which is done on the basis of a freely chosen, explicit, and voluntary option, entails acquisition of the sender's address, which is necessary in order to reply to any request, as well as of such additional personal data as is contained in the message(s).

## 2) DATA PROCESSING CONNECTED TO THE RELATIONSHIPS WITH CUSTOMERS AND SUPPLIERS

### 2.1 Object of the processing

KC Industrie processes personal identifying data of customers / suppliers (for example, name, surname, company name, personal / fiscal data, address, telephone, e-mail, bank and payment details) and its operative contacts (name surname and data contact information) acquired and used for managing the services provided by the company.

### 2.2 Purposes and legal basis of the processing

Data are processed to:

- manage contractual / professional agreements, as well as manage the necessary communications connected to them;
- fulfill the obligations established by law, by a regulation, by the community legislation or by an order of the Authority;
- exercise a legitimate interest of the Controller (for example: the right of defense in court, the protection of credit positions; the ordinary internal operating, management and accounting needs).

Failure to provide the aforementioned data will make it impossible to establish the relationship with the Controller. The aforementioned purposes represent, pursuant to Article 6, commi b, c, f, suitable legal bases for the lawfulness of the processing. If it is intended to carry out treatments for different purposes, it will be required a specific consent from the data subjects.

### 2.3 Methods of the processing

The processing of personal data is carried out by means of the operations indicated in Art. 4 n. 2) GDPR and exactly as: collection, registration, organization, storage, consultation, processing, modification, selection, extraction, comparison, use, interconnection, blocking, communication, deletion and destruction of data. Personal data are subjected to both paper and electronic and / or automated processing. The Data Controller will process personal data for the time necessary to fulfill the purposes for which it was collected and related legal obligations.

### **2.4 Scope of the processing**

The data are processed by internal regularly authorized subjects and instructed pursuant to Article 29 of the GDPR. It is also possible to request the scope of communication of personal data, obtaining precise indications on any external subjects operating as managers or independent data controllers (consultants, technicians, banks, transporters, etc.). We wish to make you aware of personal data may be the subject of intercompany communication between Group companies.

### **3) POLICY UPDATING**

It should be noted that this information may be subject to periodic review, also in relation to the relevant legislation and jurisprudence. In the event of significant changes, appropriate evidence will be given in the home-page of the site for a suitable time. In any case, the interested party is invited to periodically consult the present policy.
